

# Nurturing the Seed of Change

*Ron Davis*

*A pathway to full participation in life*

**A workshop specifically created for:  
Parents, family members & support  
persons of those with ASD and individuals  
on the autism spectrum who are looking  
for a self-development program**

**This 5-day workshop will take you on  
a journey to understanding the 30 Life  
Concepts created by Ron Davis and  
outlined in the book, 'Autism and The  
Seeds of Change.'**

*One mother said: "The program does not  
seem like work, it just explains daily life in a  
way that he can understand."*

*"These are the things I have always been  
looking for, I'm very happy with this  
program!" Asperger's adult male*
